The Michigan High School Rodeo Association is once again working on their annual wreath, centerpiece and cross fundraiser. These decorative arrangements are made from real Michigan Fraser Fir trees! Each piece will come decorated with pinecones and berries, both the wreaths and cross will have a bow with them as well. Arrangements are individually boxed with the exception of the larger wreath and cross. Items are handmade and may vary slightly in diameter.

These arrangements will last throughout the Holiday season and make great Holiday gifts! Delivery will happen just before Thanksgiving ~ just in time for the Holiday festivities to begin! Each piece is sure to add a beautiful touch to your home or business!
